

RHAYADER COTTAGE HOLIDAYS

Self-Catering Holiday Accommodation

Conyn Cottage was traditionally the dwelling used by the shepherd responsible for the well-being of his flock that grazed the rolling hills to the rear of the cottage. These hills are still in our private ownership and visitors are welcome to roam over them, breathe the fresh air, watch the birds and enjoy the stunning views from the mountain top.

Tastefully modernised the cottage now offers two-bedroomed accommodation, lounge (colour tv), well equipped kitchen and bathroom. There is also a glazed porch at the front of the property that overlooks the ornamental pond and mature gardens to the Wye Valley below. There is ample parking space adjoining the property.

Rhayader is an excellent location for birdwatchers, with red kite, peregrine, great crested grebe and many summer migrant song birds breeding in the local area. Other activities such as cycling, pony trekking, walking and fishing can all be enjoyed locally.
