

RHAYADER COTTAGE HOLIDAYS

Self-Catering Holiday Accommodation

Welcome to **Llidiart Carnau**, a fully refurbished detached stone cottage perched on top of the glorious Mid-Wales hills giving panoramic views towards the beautiful Elan Valley.

The cottage provides comfortable accommodation on the ground floor with a well equipped fitted kitchen / diner and a lounge with original inglenook fireplace with wood burner – great for those cosy nights in! Upstairs there is a single and double bedroom along with a bathroom complete with bath and shower over.

Rhayader is an excellent location for birdwatchers, with red kite, peregrine, great crested grebe and many summer migrant song birds breeding in the local area. Other activities such as cycling, pony trekking, walking and fishing can all be enjoyed locally.
